

LONGINES WORLD'S BEST JOCKEY

(i) The LONGINES WORLD'S BEST JOCKEY award is given to the jockey who has achieved the most points in the 100 highest-rated Group 1 and Grade 1 races as established for the year by the LONGINES World's Best Racehorse Rankings Committee. The scoring will incorporate races from 1st December of the previous year until 30th November of the current year.

(ii) Jockeys are assigned points riding the 1st, 2nd and 3rd horses, as follows:

Jockey riding the 1st horse: 12 points

Jockey riding the 2nd horse: 6 points

Jockey riding the 3rd horse: 4 points.

(iii) In the event of a dead-heat in a race, the points to be assigned shall be as follows:

	1st	2nd	3rd
Dead-heat 1st (2 horses)	9 each	N/A	4
Dead-heat 1st (3 horses)	7.3 each	N/A	N/A
Dead-heat 2nd (2 horses)	12	5 each	N/A
Dead-heat 2nd (3 horses)	12	3.3 each	N/A
Dead-heat 3rd (2 horses)	12	6	2 each
Dead-heat 3rd (3 horses)	12	6	1.3 each
Dead-heat 1st (2 horses) 3rd (2 horses)	9 each	N/A	2 each

If the number of horses involved in a dead-heat is not specified here, points will be assigned on the same proportional basis as indicated by the above.

- (iv) In the event more than one jockey has achieved the most points (“the season leaders”) after the 100 highest-rated Group 1 and Grade 1 races have been run, the Jockey who has ridden the most number of 1st horses will be deemed the winner. If there is more than one season leader riding the most number of 1st horses, then, of these Jockeys, the Jockey who has ridden the most number of 2nd horses will be deemed the winner. If there is more than one Jockey riding the most number of 1st and 2nd horses, then, of these Jockeys, the Jockey who has ridden the most number of 3rd horses will be deemed the winner. If there is more than one Jockey riding the most number of 1st, 2nd and 3rd horses, then, of these Jockeys, the Jockey who has ridden the most number of 4th horses will be deemed the winner.

In the event it is not possible to determine one final Jockey as having collected the most points pursuant to the above process, then the selection for the LONGINES WORLD’S BEST JOCKEY will be treated as a dead-heat.
