The Hong Kong
Jockey Club

Welcome to the LONGINES Hong Kong International Races 2014 – The Turf World Championships on Sunday, 14 December.

Flintshire, Cirrus Des Aigles, Sole Power, Buffering and Snow Dragon are among the Group 1 stars from seven nations and jurisdictions heading to Sha Tin on 14 December, to compete with a stellar line-up of Hong Kong's finest at the HK\$83 million LONGINES Hong Kong International Races.

A total of 24 overseas raiders and 21 international G1 winners are among the 50 selected horses for the Turf World Championships. The LONGINES HKIR comprises the HK\$25 million LONGINES Hong Kong Cup, the HK\$23 million LONGINES Hong Kong Mile, the HK\$18.5 million LONGINES Hong Kong Sprint and the HK\$16.5 million LONGINES Hong Kong Vase.

In the **FORM GUIDE** of each race, the **PERFORMANCE ANALYSIS** table provides you with a bird-eye's view of the race. This at-a-glance guide gives you a full form summary of the horses in a simple and concise table.

Another handy tool is the **INTERNATIONAL RATINGS CHART**. In weight-for-age races like the LONGINES HKIR, generally speaking, the higher a horse's rating, which is based on racing performance, the better its chance to win.

A preliminary **SPEED CHART** has been included to assist in identifying likely positions in running. Please note that this is preliminary only and the full Speed Map will be available after barrier draw in the SpeedPOWER Form Guide on www.hkjc.com/english/formguide/formguide.asp.

If you need further information and analysis, just flip over to the next section where you will find the **COMPREHENSIVE PAST PERFORMANCE** of the horses. Also included is the **FORM ANALYSIS**, which highlights the notable achievements and racing characteristics of each horse. Another feature is the **RATINGS HISTORY CHART**. This chart indicates the quality and consistency of a horse's previous 10 starts through a graphical illustration of the ratings achieved in these races.

This information is correct as of 2nd December 2014.

LONGINES Hong Kong Vase (21st running)

History

The LONGINES Hong Kong Vase is the last elite international 2400m race in the global racing calendar. It came into being as the Hong Kong International Vase in December 1994, making it the third international contest at what is today known as the LONGINES Hong Kong International Races.

Red Bishop, trained in France by John Hammond, won the first Hong Kong International Vase and since then nine French-trained horses have triumphed. Most recent of those is Dunaden, who in 2011 became the first Melbourne Cup winner to carry off the Vase.

The race was granted international Group 2 status ahead of the 1996 renewal, which went to Luso. The Clive Brittain-trained UK raider returned victorious a year later to become the first of two dual winners, the other being the Richard Gibson-trained Doctor Dino (2007 & 2008).

The race was renamed the Hong Kong Vase in 1999 and in 2000 the Vase was further upgraded to an international Group 1 event.

The LONGINES Hong Kong Vase received an increase of HK\$1.5 million in purse money in 2014, raising the total purse to HK\$16.5 million.

Second in four of five starts in 2014 including in G1 Coronation Cup (1st Cirrus Des Aigles), G1 Prix de l'Arc de Triomphe (1st Treve) and G1 Breeders' Cup Turf (1st Main Sequence). Thrives on a quick surface. Sits handy in midfield.

Caused an upset when storming from rear to win this last year from The Fugue. Won HKG3 Queen Mother Memorial Cup before running 3rd in HKG1 Standard Chartered Champions & Chater Cup in 2012 and again in 2013 - both at the course and distance. Below-par since 5th in G1 Dubai Sheema Classic (2410m) in March. Well-beaten 3 starts this term. 11th latest in G2 LONGINES Jockey Club Cup (2000m). Appreciates good ground. Best when settled back in the pack.

Gained a first G1 win at the distance last start in September's Preis Von Europa. Has posted some fine efforts in top grade. Ran 2L 4th to Novellist in 2013 Grosser Preis von Baden (2400m). Similar effort when 4th to Gentildonna in G1 Dubai Sheema Classic (2410m) in March. 4th but easily beaten by Cirrus Des Aigles in G1 Coronation Cup (2409m) in June. Failed to handle very soft penultimate start. Appreciates sound surface. Often tracks pace.

The 2012 victor was 3rd (dead-heat) the year before and 4th in 2013. Recently runner-up for a third time in G1 Melbourne Cup (3200m). A versatile and top-class performer, he followed his 2012 LONGINES Hong Kong Vase win with a game 2nd in the G1 Dubai World Cup (2000m, Tapeta) and then 3rd in G1 Tenno Sho Spring over 3200m. Below-par in Europe for second summer in a row but again bounced back in Australia latest. Tactically versatile and no ground worries.

Runner-up in 2011 G1 Prix du Jockey Club and won G3 Darley Stakes at Newmarket. Three-time winner in Hong Kong at 1800m and 2400m. Dictated tempo to win HKG3 Queen Mother Memorial Cup at course and distance in May. Attempted same tactics but faded to 4th next start in HKG1 Standard Chartered Champions & Chater Cup. Moderate first three starts this term but good 6th latest in hot G2 LONGINES Jockey Club Cup (2000m). Best when prominent. Appreciates good ground.

Capped a solid 2yo season in 2011 with shock win in G1 Dewhurst Stakes (1400m) at Newmarket. Missed all of 2012. Returned to prove a solid type in 2013 and 2014 winning two G3 contests at about 2000m, latterly the Meld Stakes at the Curragh in July. Sound effort latest on only start at 2400m when stayed on to neck 2nd behind Pether's Moon in soft ground G3 at Ascot. No ground issues. Tactically versatile.

LONGINES Hong Kong Sprint (16th running)

History

The LONGINES Hong Kong Sprint has been won by some of the world's outstanding speedsters and chief among them is the great Hong Kong champion Silent Witness who scored in 2003 and 2004. The race was first contested as a 1000 metre Listed race in 1999 and gained Group 3 status for the 2000 running. One year later it had achieved Group 2 status and in 2002, after only three editions, the Hong Kong Sprint became an international Group 1 event.

A significant change to the race's make-up occurred in 2006 when it switched from the straight 1000m track at Sha Tin and became a 1200m contest around a right-hand turn. In the same year, the race became the final leg of the Global Sprint Challenge.

Hong Kong horses have won 10 of the 15 Hong Kong Sprints, with two of the most notable exceptions being J J The Jet Plane for South Africa in 2010 and Lord Kanaloa for Japan in 2012 and 2013.

The LONGINES Hong Kong Sprint received a boost of HK\$3.5 million ahead of the 2014 renewal, which took the prize purse to HK\$18.5 million, making it the richest weight-for-age sprint in the world.

One of the top 1000m runners in the world. All eight career wins on turf at that distance including G1 Nunthorpe Stakes in 2010 and 2014, and back-to-back G1 King's Stand Stakes (2013 & 2014). Only eight of 44 starts have come at 1200m but 2nd in this race in 2013. Showed further promise at trip when 4th in G1 Haydock Sprint Cup this summer. Unlucky eighth when short of room in G1 Prix de l'Abbaye (1000m) latest. Hold-up runner. Relishes fast ground.

Four-time course and distance winner and twice successful in 1400m HKG3 contests. Slightly unlucky not to place in this race last year when 5th. Considered best at 1400m until winning G1 Dubai Golden Shaheen (Tapeta) in Dubai last March over 1200m. Form looks rosey for three starts this term. But got no run when untested 12th in G2 BOCHK Wealth Management Jockey Club Sprint latest. Tends to be held up midfield or rear. Enjoys good or good to firm going.

A 16-time winner from 1000m to 1200m, 11 at latter distance and 4 of those at G1. Broke G1 duck in 2013 Manikato Stakes with Lucky Nine 2nd. Within a month had added VRC Sprint Classic and Winterbottom Stakes. Smart efforts in defeat early this year. Held off Lankan Rupee to win 1st-up this season in September's G1 A.J. Moir Stakes. Close 7th to that rival next start. 4th latest in G1 Darley Classic at Flemington. Usually leads and a tough battler. Relishes good ground and goes on softer.

Graduated from a regular on the all-weather at Dundalk three years ago to an established global G1 performer. Three G1 wins in 2012 Prix de la Foret (1400m), 2013 Haydock Sprint Cup (1200m) and Australia's 2014 George Ryder Stakes (1500m). Fourth in past two editions of G1 LONGINES HK Mile and 7th in G1 Champions Mile at Sha Tin in May. In cracking form since returning from summer break in late August. Won heavy ground G2 British Champions Sprint (1200m) latest. Adaptable tactically. Goes on all ground but enjoys cut.

First seven career wins came on dirt. Proved even more effective since returning to turf earlier this year. Runner-up in a 1200m G3 and filled the same position in G1 Takamatsunomiya Kinen (1200m) at Chukyo in March. Landed a 45-1 shock latest when notching first Group race win in G1 Sprinters Stakes at Niigata on 5 October. Hold-up runner. Acts on all going.

LONGINES Hong Kong Mile (24th running)

History

Now one of the world's elite Group One mile races, the LONGINES Hong Kong Mile started out in 1991 as the Hong Kong Invitation Bowl, staged over 1400m. It was inaugurated to mark Hong Kong's staging of the 22nd Asian Racing Conference in December of that year.

A slight identity change occurred in 1992 when it became the Hong Kong International Bowl and two years later the race attained Group 3 status. That year, 1994, also saw Michael Stoute send his subsequent dual Group 1 Lockinge Stakes hero Soviet Line from England to land the spoils. International Group 2 status followed in 1995 when Monopolize won the first of two back-to-back.

In 1999 the race became the championship mile contest we know today. The distance was extended to 1600m and the race rebranded as the Hong Kong Mile, and it was another UK raider, Docksider, who took the honours.

The great New Zealand mare Sunline arrived at Sha Tin in 2000 and carried off the first international Group 1 edition of the Hong Kong Mile, but since Japan's Hat Trick scored in 2005, Hong Kong horses have made the race their own. Chief among the home victors is the mighty Good Ba Ba, who is the only horse to win any HKIR three times in succession (2007, 2008, 2009).

The Hong Kong Mile received a boost of HK\$3 million ahead of the 2014 renewal, which took the prize purse to HK\$23 million, making it the richest turf mile race in the world.

The first turn comes up quickly from this start so horses drawing high barriers can have problems and may need to be taken further back than usual to get in with cover. Horses pressing the pace have the most success over this trip, with 43% of winners positioned – on average – 4.6 lengths from the lead at the 400m pole. This race has no strong leader and although Same World, Pleasure Gains and Meiner Lacrima are likely to go forward, the tempo is likely to be slow.

LONGINES Hong Kong Cup (28th running)

History

The LONGINES Hong Kong Cup is the jewel in the LONGINES Hong Kong International Races crown. It is the oldest of the four races and the event upon which the occasion is built.

The race came into being as the Hong Kong Invitation Cup, staged at Sha Tin in January, 1988. Hong Kong legend Brian Kan saddled the first winner, Flying Dancer, in a race open to raiders from Malaysia and Singapore. It was a Singaporean raider, Colonial Chief that became the first overseas victor in 1989 when Hong Kong riding legend Tony Cruz teamed up with trainer Ivan Allan. Australasian runners were invited in December that year and in 1991 the race was opened to invitees from all nations.

The contest was staged twice in 1989 as the event moved from January to its December slot for the third edition and it has become a firm end of year fixture, the only exception being when the 1992 race was postponed due to equine flu and took place in April 1993.

From April 1993, the race was re-titled the Hong Kong International Cup and was staged as an international Group 3 contest, and in 1994 the Cup was upgraded to international Group 2 status.

The race continued to evolve into a contest of international merit and in 1999 the elite Group 1 standard was achieved. The race was renamed the Hong Kong Cup and the distance was extended from 1800m to its current 2000m. The Hong Kong Cup has the distinction of being the first Hong Kong race to achieve international Group 1 status.

The LONGINES Hong Kong Cup received an increase of HK\$3 million in purse money in 2014, raising the total purse from HK\$22 million to HK\$25 million.

Aims to line up at the LONGINES HKIR for a fifth time – it would have been his sixth but for an eve of race injury in 2012. Best HKIR effort last year when 3rd in LONGINES HK Cup. Has won 21 of 60 career starts and six G1 wins include the Prix d'Ispahan (1850m), Prix Ganay (2100m) and Coronation Cup (2409m) this year. Never travelling on last start 5th in October's G1 Champion Stakes (2000m) at Ascot. Relishes ease but effective on top of the ground.

Hong Kong's Horse of the Year in 2012/2013 thanks to four straight wins including G1 Audemars Piguet QEII Cup (2000m) and G1 SIA Cup (2000m) in Singapore. A second consecutive HKG1 Citibank Hong Kong Gold Cup (2000m) win and close 2nd to Designs On Rome in G1 Audemars Piguet QEII Cup his best efforts last term, but also finished fast for fourth in 2013 G1 LONGINES HK Cup. Scored first up for new stable with late rush in HKG2 Oriental Watch Sha Tin Trophy (1600m) in October. Pipped late when 2nd in LONGINES Jockey Club Cup latest. Best when tracking handy. Likes a sound surface and handles good to soft.

Owner(s): Fentons Racing Syndicate

Versatile and high-class as shown when winning two legs of HK Triple Crown last season - January's HKG1 Stewards' Cup (1600m) and May's HKG1 Standard Chartered Champions & Chater Cup (2400m). Prefaced those with smart sixth in 2013 G1 LONGINES HK Cup (2000m). Warmed up nicely for this with three runs this term. After a close 4th to Military Attack in October's HKG2 Oriental Watch Sha Tin Trophy (1600m) the British import mugged that rival close home to win the G2 LONGINES Jockey Club Cup (2000m). No ground worries. Usually tracks handy.

Owner(s): Howard Liang Yum Shing

Only horse to win this race back-to-back when successful in 2011 and 2012. Injured and missed last year's race. Sidelined 6 months but returned to run 3rd in HKG1 Standard Chartered Champions & Chater Cup (2400m) in May, a race he won in 2013 when crowned Champion Stayer. Improved each start in three runs this term. Solid 4th in G2 LONGINES Jockey Club Cup (2000m) latest. Has four wins at the course and distance. Can be held-up in touch or at the rear for a strong run. No ground issues.

That after soft ground win in G1 Rosehill Guineas (2000m) in March. 2nd earlier that month to Shamus Award in G1 Australian Guineas (1600m). No win in 6 starts since Derby. Best effort head 2nd to Fawknor in October's G1 Caulfield Stakes (2000m). Staying-on 5th in G1 Mackinnon Stakes (2000m) latest. Now with new stable. Races midfield. Appreciates ease in ground.

As 3yo ran 3rd in 2012 G3 Arlington Cup (1600m) behind Just A Way. Won all of four starts in 2013 and notched first Group race win in G3 Asahi Challenge Cup (1800m) in December. Only one start this season when 3.5L 2nd to Just A Way in G2 Nakayama Kinen (1800m) on 2 March. Usually settles midfield. Acts on fast, good and yielding. Untried on softer going.

Seven-time HK winner at 1600m-1800m. Has risen through the ranks from Class 4 to compete at the highest level. Only start in Pattern grade came when 3rd to Able Friend in April's HKG2 Chairman's Trophy (1600m) after setting the pace. Showed touch of class to win 1800m Class 2 at Happy Valley under 133lb on 19 October. Disappointing latest in 1600m Class 1 but found to have mucus.

Four-time HK winner from 1400m to 1800m in lesser grade. Solid performer who aside from a neck 2nd in the 2012 HKG1 Hong Kong Derby has also won HKG3 January Cup (1800m) earlier this year. Found wanting when 10th in this last year. Unplaced four starts this term and faded to 8th latest in G2 BOCHK Wealth Management Jockey Club Mile. Best when racing handy. Ground not an issue.

Until recent seasons the best horse she had trained remained Carling, winner of the G1 French Oaks and G1 Prix Vermeille in 1995, but others of note have been Red Roses Story, Perfect Vintage and Jeopardy. Cirrus Des Aigles has been her ambassador in recent years and was rated the world's best horse in training at the end of 2012 after pushing Frankel in the latter's final race, the G1 Champion Stakes at Ascot. Cirrus Des Aigles had won that contest in 2011 and in early 2012 he added the G1 Dubai Sheema Classic, G1 Prix Ganay. She saddled her stable star to finish 5th in the 2009 HK Vase, and 7th (2010) then 5th (2011) and 3rd (2013) in the HK Cup. The gelding was a withdrawal on the eve of the 2012 HK Cup due to injury and Barande-Barbe patiently guided him back to form for a second successive win in the G2 Prix Dollar and runner-up finish in the G1 Irish Champion Stakes in 2013, and early this year he won the Ganay again, the G1 Prix d'Ispahan and G1 Coronation Cup.

Bolger also sent out St Jovite to win the G1 Irish Derby and G1 King George VI & Queen Elizabeth Stakes in 1992 (Trading Leather gave him a second Irish Derby win in 2013). New Approach went on to win the G1 Irish Champion Stakes and dominated the G1 Champion Stakes at Newmarket. The last-named won the 2013 G1 2,000 Guineas in England and the G1 St James's Palace Stakes. In 2007, Bolger remarkably sent out his crack filly Finsceal Beo to win the English 1,000 Guineas and Irish 1,000 Guineas, and between times finish a head 2nd in the French equivalent, all in the space of 21 days.
