

## Spotlight

The incredible Beauty Generation has blown away all-comers at Sha Tin so far this season and took the great Good Ba Ba's track record when successful in the G2 Jockey Club Mile last start. He is entered for a bid to become the first follow-up winner of the race since Good Ba Ba pulled off three in a row (2007-2009).

Hong Kong's champion faces a strong overseas challenge. Japan's Mozu Ascot won the G1 Yasuda Kinen in June and the Frankel colt had no luck in the run when down the field in the G1 Mile Championship last month; compatriot Persian Knight, victorious in that latter contest in 2017, finished a head second and aims towards Sha Tin in peak form. Vivlos won the G1 Dubai Turf at Meydan in 2017 and was second in the same race this year.

Britain's One Master proved herself a top-class filly when delivering a determined deep run to win the G1 Prix de la Foret at Longchamp in October, with the Andre Fabre-trained galloper Inns Of Court a short-head second. The William Haggas-trained One Master was a close fifth in the G1 Breeders' Cup Mile last time.

Hong Kong will also look to 2016 winner Beauty Only and Kranji Mile hero Southern Legend.
