BEAUTY GENERATION

Hong Kong's champion racehorse and reigning Horse of the Year BEAUTY GENERATION has made front-running his signature tune. He may not necessarily run quick fractions early but he increases the tempo mid-race and puts rivals under pressure before they're ready. On face value, none of his fellow HK-based invitees can go with him and given the make-up of the field it's hard to see the race being run any different to expectation. In "normal" feature mile races at Sha Tin, the sweet spot has been behind midfield and away from the rail, but in the BEAUTY GENERATION era, those horses are barely competitive.
