

Spotlight

Beauty Generation is among the world's very best racehorses and the "Master Miler" will attempt a second G1 FWD Champions Mile success against six rivals. Trainer John Moore's six-year-old is unbeaten in his last eight races, seven of which have been this season, matching the Hong Kong all-time record for most wins in a campaign. Victory would see him surpass Viva Pataca as the highest earner in Hong Kong history.

The field also features high-class milers Conte and Rise High and the 2018 Hong Kong Classic Cup victor Singapore Sling.
