Conditions of Entry to Club Premises

(with effect from 21 November 2022)

To safeguard and protect the health and safety of all guests and staff, no person will be allowed to access any Club Premises if he / she:-

- a) has had within 7 days prior to the date of visit any of the common symptoms of Coronavirus Disease 2019 (COVID-19) – such as fever, malaise, dry cough, shortness of breath, nasal congestion, headache, conjunctivitis, sore throat, diarrhea, loss of taste or smell, skin rash or discolouration of fingers or toes;
- b) has been tested positive or preliminary positive by COVID-19 nucleic acid test (“PCR”) or rapid antigen test (“RAT”) (“**Infected Person(s)**”), unless he / she has met the criteria for discharge from isolation or home quarantine as summarised at https://www.coronavirus.gov.hk/pdf/pa_discharge_ENG.pdf;
- c) is currently subject to any isolation or quarantine order imposed by the Government;
- d) is a close contact as determined by the Club. For definition of “close contact” please refer to Note 1;
- e) is required to undergo COVID-19 testing pursuant to a compulsory testing notice or direction (except for compulsory testing required after the end of compulsory quarantine or self-monitoring for persons returning from places outside Hong Kong) and has not been confirmed negative;^{Note 2}
- f) does not meet the prevailing Vaccine Pass requirement, or holds a Vaccine Pass QR Code that is a “Red Code”^{Note 3}; or
- g) for any premises subject to active checking of Vaccine Pass, holds a Vaccine Pass QR Code that is an “Amber Code”.^{Note 3} In other words, if you hold an “Amber Code” you may only enter those areas of any Club Premises that are subject to passive checking.

You are required to report to the Club immediately should you test positive by PCR or RAT within 2 days following your visit to any Club Premises.

The Club may take disciplinary actions or such other actions as the Club considers necessary against those who fail to comply with these Conditions of Entry to Club Premises.

Note 1: “Close contacts” includes household members of the Infected Person, or individuals who, from 4 days before first onset of symptoms of the Infected Person or, in an asymptomatic case, from 4 days before the Infected Person’s first positive test,

engaged with an Infected Person in mask-off activities (e.g. eating or drinking or exercising together) or mask-on activities in close proximity for 30 minutes or longer, or in other circumstances as determined by the Club.

Close contacts who have received at least 2 doses of COVID-19 vaccine and tested negative by RAT for two successive days on Days 6 and 7 (Day 1 being the day following the day of last contact with the Infected Person) may visit Club premises. Those who have not received 2 doses of COVID-19 vaccine may only use Club premises if they have been tested negative by RAT on Day 14.

Note 2: If the compulsory testing notice requires more than one test, visitors cannot access Club premises until the first two tests are returned negative. Thereafter, they may use Club premises except on the day of each subsequent test and until the test is returned negative.

Note 3: (a) Dosage requirement under the Vaccine Pass requirement can be found at https://www.coronavirus.gov.hk/pdf/vp_t1_ENG.pdf.
(b) Premises subject to active or passive checking requirement of Vaccine Pass can be found at https://gia.info.gov.hk/general/202211/16/P2022111600807_406316_1_1668612954443.pdf.
(c) Club's staff and persons visiting Club premises for work or business purpose holding a Vaccine Pass QR Code that is an "Amber Code" are generally permitted to enter Club premises for work or business purpose only, subject to any internal Club policies and/or guidelines developed in line with the applicable regulations (for example, restriction on engaging in high risk mask off activities such as dining in catering premises).
