A stunning collection of world-class horses led by Romantic Warrior, Ka Ying Rising, Liberty Island, Soul Rush, Without A Fight, California Spangle, Spirit Dancer, Voyage Bubble and Five G Patch highlights 54 gallopers from Hong Kong, Australia, France, Great Britain, Ireland, Japan and the USA chosen for the LONGINES Hong Kong International Races at Sha Tin on Sunday, 8<sup>th</sup> December.

24 individual Group 1 winners will bid for a share of the combined record prizemoney purse of HK\$126 million across the four Group 1 races at the 'Turf World Championships' – the HK\$40 million G1 LONGINES Hong Kong Cup, HK\$36 million G1 LONGINES Hong Kong Mile, HK\$26 million G1 LONGINES Hong Kong Sprint and HK\$24 million G1 LONGINES Hong Kong Vase.

Upholding Hong Kong's standing as a world leader in horse racing, international support for the showpiece meeting sees 29 of the selected runners arrive from overseas as Romantic Warrior aims to become the first triple winner of the LONGINES Hong Kong Cup after victories in 2022 and 2023.

## Fast Facts

- 1 All four Hong Kong International Races (HKIR) featured in the 2023 LONGINES World's Top 100 G1 Races. The LONGINES Hong Kong Cup (2000m) and LONGINES Hong Kong Mile (1600m) were ranked in the top 20, positioned joint 15th and joint 18th, respectively. Meanwhile, the LONGINES Hong Kong Vase (2400m) and LONGINES Hong Kong Sprint (1200m) also figured prominently, ranking equal 44th and equal 71st, respectively.
- 2 HK\$8 million has been added to the four Group 1 races for 2024, with the total purse reaching HK\$126 million. With prize money of HK\$40 million – an 11.1% record increase on 2023, the LONGINES Hong Kong Cup is currently the richest race in Hong Kong and most lucrative 2000m turf race in the world. The LONGINES Hong Kong Mile has been boosted by HK\$4 million to HK\$36 million, a rise of 12.5%.
- 3 Romantic Warrior won the LONGINES Hong Kong Cup in 2022 and 2023 under James McDonald. The only other horse to win the race twice is champion grey galloper California Memory (2011 & 2012).
- 4 Trained by Francis Lui, Golden Sixty won the LONGINES Hong Kong Mile three times (2020, 2021 & 2023), joining Good Ba Ba (2007, 2008 & 2009) as the race's only other three-time winner in history.
- 5 Returning first-up after a 224-day break between runs in the 2023 LONGINES Hong Kong Mile, Golden Sixty became the first horse to secure victory after such a lengthy timespan, with Glorious Days the next-closest after prevailing following a 189-day break.
- 6 Three horses – Romantic Warrior (2022), Designs On Rome (2014) and Vengeance Of Rain (2005) – have completed the Hong Kong Derby, QEII Cup and LONGINES Hong Kong Cup treble in the same year.
- 7 With a total of 20 wins, Japan holds the record for the most triumphs by overseas visitors in HKIR history. Following closely is France, with 15 wins, including Junko's success in the LONGINES Hong Kong Vase, while Britain ranks third with 12 wins.
- 8 France secured an unmatched 11th victory in the LONGINES Hong Kong Vase with Junko (2023). Meanwhile, Hong Kong runners have achieved the highest number of victories in the other three races.
- 9 Zac Purton's victory aboard the Manfred Man-trained Lucky Sweynesse in the 2023 LONGINES Hong Kong Sprint marked his 11th HKIR win, the most in history. This was Purton's third victory in the race, following back-to-back wins with Aerovelocity in 2014 and 2016. Meanwhile, Tony Cruz is the winning-most trainer, with 11 wins across the four Group 1 contests.
- 10 Able One is the oldest HKIR winner as he turned the clock back as a nine-year-old in the 2011 Hong Kong Mile. Only three eight-year-olds have succeeded – Collier Hill in the 2006 Hong Kong Vase, Aerovelocity in the 2016 LONGINES Hong Kong Sprint and Golden Sixty in the 2023 LONGINES Hong Kong Mile.
- 11 Six jockeys, namely, Ryan Moore (2015 & 2020), Joao Moreira (2014 & 2019), Zac Purton (2016 & 2018), Douglas Whyte (2013), Felix Coetzee (2003) and Olivier Peslier (1999), have all ridden a feature race HKIR double in the same year.
- 12 Tony Cruz is the only trainer to have won a HKIR race as a jockey after partnering Colonial Chief to victory in the second Invitation Cup in January, 1989.
- 13 Tony Cruz and former trainer John Moore are the only two trainers to have won each of the four HKIR races at least once.
- 14 Japanese trainer Noriyuki Hori is the only overseas trainer to have saddled a double at the same HKIR. He achieved this unique feat with Maurice (Cup) and Satono Crown (Vase) in 2016.
- 15 Zac Purton, Gerald Mosse, Joao Moreira and Ryan Moore are the only four jockeys to have won each of the four HKIR contests at least once.
- 16 Lord Kanaloa holds the record for the widest winning margin at the HKIR - five lengths in the 2013 Sprint. Romantic Warrior holds second by romping in by four and a half lengths in the 2022 LONGINES Hong Kong Cup.
- 17 The shortest-priced victors in the event's history are Silent Witness, Golden Sixty, and Lucky Sweynesse, who all started at 1.3 odds for the Hong Kong Sprint (2003 & 2004), LONGINES Hong Kong Mile (2020 & 2021), and LONGINES Hong Kong Sprint (2023), respectively. In contrast, New Zealand's Grey Invader holds the record for the longest-priced winner in HKIR history, triumphing in the Hong Kong Cup at odds of 71/1 in 1989.
- 18 Hong Kong runners took all four G1 events at a single HKIR for the first time in 2018, thanks for the victories of Glorious Forever (Cup), Beauty Generation (Mile), Mr Stunning (Sprint) and Exultant (Vase).
- 19 Eight Northern Hemisphere three-year-olds have triumphed, yet not one of that age has ever won the Sprint: (Mogul, 2020 Vase; Admire Mars, 2019 Mile; Highland Reel, 2015 Vase; Snow Fairy, 2010 Cup; Daryakana, 2009 Vase; Alexander Goldrun, 2004 Cup; Vallee Enchantee, 2003 Vase; Additional Risk, 1991 Bowl).

## Barrier Draw Statistics

## Speed Chart

This year's renewal has the majority of horses going back so the race should be run at a good to slow pace. The 2400m distance of the Vase is sharp by European standards however with the Irish horse CONTINUOUS having led at his last start he has the opportunity to take up the running. On pace runners generally have a good record in this race with the back markers sometimes struggling to get into the race. This year the overseas contenders look strong once again. Tactics will be key in this year's race.

Likely pace: Good to Slow

## Spotlight

The Aidan O'Brien-trained Luxembourg went very close to winning the 2023 Hong Kong Cup on his only previous visit to Hong Kong, going down by just a short head to Romantic Warrior. He tries the LONGINES Hong Kong Vase over 400m further this time around, having landed his first win over the 2400m distance earlier in the year in the G1 Coronation Cup at Epsom.

Luxembourg is part of what looks a very strong European challenge for the Vase, which also includes the globetrotting triple Group 1 winner Dubai Honour and Giavelotto, a dual Group 2 winner earlier this year and third to top stayer Kyprios in the G1 Irish St Leger last time out. Another high-class overseas contender is 2023 Melbourne Cup winner Without A Fight. He missed 12 months with a tendon injury following that success but returned in early-November with an encouraging third to top mare Via Sistina in the Champions Stakes at Flemington.

## Race History

The Hong Kong Jockey Club introduced a third international race to its December programme in 1994, the 2400m Hong Kong International Vase. Red Bishop, the top-class French-trained galloper, took the inaugural prize – the first of 11 winners so far from that nation.

The Vase was upped to international Group 2 level for the 1996 renewal won by Luso, who became the first two-time winner when he returned successfully 12 months later. In 1999, in line with the renamed Hong Kong Cup and Hong Kong Mile, and the newly-initiated Hong Kong Sprint, the International Vase was renamed the Hong Kong Vase. A year later it was upgraded to Group 1 status and the Coronation Cup winner Daliapour arrived to take the spoils.

Among the winners of this prestigious contest are the outstanding English race mare Ouija Board, English St Leger hero Mastery, popular globetrotter Red Cadeaux, Dunaden, who in 2011 became the first Melbourne Cup winner to lift the Vase, local heroes Indigenous and Exultant, and Ireland's Highland Reel, the horse that gave his trainer Aidan O'Brien a first Hong Kong success in 2015 before the bay finished his career with a second victory in this race in 2017. France have won 11 times in 15 attempts, including Junko who claimed the LONGINES Hong Kong Vase under Maxime Guyon last year for trainer Andre Fabre for the third time.

LONGINES entered into a partnership with the Hong Kong Jockey Club ahead of the 2012 LONGINES Hong Kong International Races. The race's prize money is HK\$24 million.

Returned from a 12-month break after suffering a tendon injury with an excellent 3rd to the high class Via Sistina in VRC Champions Stakes at Flemington and is expected to improve out of sight following that effort. Had, of course, won the Melbourne Cup and Caulfield Cup in imposing fashion at the close of 2023. Generally ridden back in his races and has no issue with going right-handed. Majority of his wins and his starts have been on good ground but did win twice on soft tracks in the United Kingdom pre-export.

Running Style: Running Style:

Genuine stayer with solid form from 2400m to 3000m with three of past four wins coming at around 2800m and the other at 2400m. Raced handy and fought on when 3rd to Kyprios in the Irish St Leger Stakes last start. That followed two big margin wins in G2 in May and July. Has been ridden in touch on occasions but more likely to settle back in the field. Best form on good ground but was some give in the track when he won two starts back. Would appreciate a strong tempo.

Brave short head 2nd to Romantic Warrior in the 2023 LONGINES Hong Kong Cup. Sole triumph this year came in the Coronation Cup at Epsom from out in front. Latest battled well for 6th to Rebel's Romance in the Breeders' Cup Turf after finishing close up behind Economics in a strong renewal of the Irish Champion Stakes. Can lead or race prominently, has performed on good and soft ground.

Running Style:

Well travelled, multiple Group 1 winner making his 4th trip to Hong Kong, with best effort when 3rd to Romantic Warrior in the 2023 FWD QEII Cup. Ran very well in three of four appearances in Europe at around 2400m. The exception was on the firm ground, which saw many other high profile runners also struggle in the King George. Tuned up for this with very good 2nd to The Foxes in the Churchill Stakes in November when tracked wide and was blocked for a clear run in the straight. Comfortable on good and soft ground with a preference for some give. Tactically versatile but often races in mid-division.

Running Style:

Evergreen winner of 15 races including two at Group 1 level. Most recent top-level win was in a strong renewal of the 2023 Prix Ganay. Won three of seven starts since then. Did not enjoy the clearest of runs in straight, in his latest outing, when 4th in Champion Stakes at Ascot in October. That followed a solid win in the Prix Foy. Not disgraced in a ferociously run 2023 Japan Cup won by Equinox. Had very little exposure to good or firm ground and certainly relishes some give in the track. Generally holds up for a big finish.

Running Style:

Lightly raced 4yo who was ostensibly disappointing on latest run in the GP von Bayern. However, he was checked at the start and again on the home turn on soft ground, so the run may be best forgiven. In contention on his solid 3rd to Goliath in the Conseil de Paris in October and his nose 2nd to stablemate Junko, winner of the 2023 Hong Kong Vase, in the GP de Chantilly in June. Dubai Honour and Goliath were third and fourth respectively in that race. Runner-up to Iresine in the 2023 Prix du Conseil de Paris. Tactically versatile. All his runs have come on a track with 'soft' in the description.

Running Style: Running Style:

Returned from a let-up with solid effort behind Chevalier Rose in the Kyoto Daishoten in October when his condition just looked to give out late. Previous run, in June, was a brave on-pace 4th to Blow The Horn in Takarazuka Kinen run in driving rain. Boasts three Group 2 wins at 2200 and 2400m. Usually races close to the speed and handles all conditions.

Running Style: Running Style:

Won the G3 Royal Whip Stakes (2000m) at the Curragh in August at his most recent run on good ground. Has since struck varying soft ground and varying fortune with a creditable 3rd to Iresine in Prix Foy before striking interference when he failed in the Arc de Triomphe. Doubt conditions suited last time when he led and faded in the British Champion Stakes. Tactically versatile. Has handled 'softish' ground on occasions but probably at best on good to firm.

Opened his Hong Kong account over 2000m in February this year. Good effort again when 2nd to Romantic Warrior in the BOCHK Jockey Club Cup latest, his second race this season. Looks suited to extra ground. Races handily. No ground issues.

## Barrier Draw Statistics

## Speed Chart

The sprint course at Sha Tin offers a run of just on 300m to the first turn, and barriers are of critical importance. A horse that normally races forward from a low draw can be further back than the jockey would have liked to avoid a tough run. The three best positions from a statistical viewpoint, when the rail is in the A (true) position, are the leader and the next two horses in the running order. This year there is plenty of pace in the race and every horse should get their opportunity to shine.

Likely pace: Good

## Spotlight

Emerging star Ka Ying Rising tackles Group 1 company for the first time in the LONGINES Hong Kong Sprint. The improving four-year-old has firmly established himself as the leading sprinter in Hong Kong with impressive wins on his three previous runs this season, enhancing his burgeoning reputation still further when breaking Sacred Kingdom's long-standing 1200m track record at Sha Tin on his most recent outing.

He faces six previous G1 winners in what looks a strong renewal. The international opposition is headed by Nobals (USA trained) and Starlust (GB trained), the last two winners of the Breeders' Cup Turf Sprint, and the Japanese-trained pair Lugal and Toshin Macau, who finished 1-2 in the Sprinters Stakes at Nakayama in September.

## Race History

The Hong Kong Jockey Club's strategy for an elite international end-of-year race day at Sha Tin Racecourse had almost reached its aim by 1999. That year saw the fourth and final international race, the Hong Kong Sprint, added to the event, and Fairy King Prawn proved a fittingly top-class first winner. Initially staged as a Listed race, the Hong Kong Sprint attained Group 3 status in 2000 and became a Group 2 one year later. In 2002, the Sprint became the last of the HKIR features to attain Group 1 status, so establishing the four-race Group 1 format we know today.

The race has a most illustrious roll of honour, featuring superstars Silent Witness and Sacred Kingdom from Hong Kong and Japan's greatest sprinter, the exceptional Lord Kanaloa. Each of that trio won the race twice, as did the Australian speedster Falvelon, Hong Kong's Aerovelocity and Mr Stunning. Beat The Clock extended the home team's winning sequence in this race to six in 2019 before Danon Smash halted the streak in 2020. However, in the last three renewals, the title has been reclaimed by Hong Kong representatives Sky Field (2021), Wellington (2022) and Lucky Sweynesse (2023).

Inaugurated as a straight 1000m contest, the race distance was upped to 1200m in 2006. LONGINES first sponsored the race in 2012 and now the race's prize money is a record HK\$26 million.

Generational talent who broke track record set in 2007 in the Jockey Club Sprint last start. Showed plenty of early promise when winning 5 races from 7 starts in his debut season, including the Sha Tin Vase. Won the HKSAR Chief Executive's Cup first-up before smashing his opponents in the Premier Bowl. No ground concerns and his ceiling is far from reached. Is now an 8-time winner from 10 starts.

Running Style: 

Smashing Sprinters Stakes last September over Toshin Macau when returning following a setback. Serious talent who shouldn't be underestimated. Two runs ago finished 10th on rain-affected ground in last March's Takamatsunomiya Kinen after winning the Silk Road Stakes on sounder surface. Races prominently. Preferred on good-firm ground but did win on a soft rated track last year.

Running Style:

Competitive and won the Kennedy Road Stakes on Tapeta at Woodbine last time out. Settled midfield and secured a rails run to beat Big Invasion in winning the 2023 Breeders' Cup Turf Sprint at Santa Anita. Five wins on turf have been at 1000m and 1100m but he does also boast six wins ranging from 1000m to 1400m on synthetic tracks. Form around past two runs reads solid via star sprinters Cogburn and Arzak, who each ran well in the 2024 Breeders' Cup Turf Sprint. Races on speed. Placed on soft ground. Racing right-handed some query.

Running Style: Running Style:

Charged late along the rails to claim the Breeders' Cup Turf Sprint at Del Mar in November after striking severe interference when unplaced in the Prix de l'Abbaye de Longchamp. Raced consistently all year and well accustomed to travelling. Bulk of recent racing has been at 1000m but had sound 1200m form earlier in career. Boasts six wins from 18 starts. Tactically and ground versatile.

Finished hard along the fence when runner-up to Lugal in Nakayama's Sprinters Stakes in September. Won his three previous 1200m races on turf. Settled back and wide from gate 17 when he won the Centaur Stakes earlier in September at his first run after a break. Best form on good ground. Likely to settle midfield.

Running Style: Running Style:

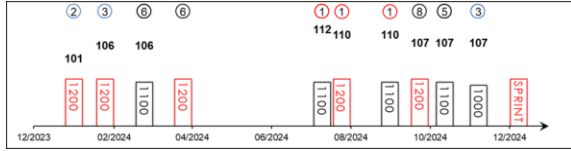

Shapes as a rising star among Japan's sprinting ranks. Beaten by Lugal in the Sprinters Stakes in September, but was the winner of three previous starts and has won seven of his ten career starts. Those three straight wins came at Group 3 (twice) and Listed level when ridden more prominently to be parked just behind the leaders. Does have a good turn of foot. Bulk of his racing and best form has been on good ground but has performed satisfactorily in two runs on yielding tracks. Pending the draw, he is expected to settle handy to midfield.

Running Style:

Ridden off speed and finished well when first home far side but third overall in the Century Stakes at Flemington. Failed to threaten in the Manikato Stakes but has good strike rate at the distance and good winning form racing right-handed earlier across his career. Capable on all track conditions and while usually races handy to the speed, he is tactically versatile. Unplaced but did prove competitive in two G1 attempts.

Running Style:

Surprised at decent odds to finish second behind Lucky Swynesse in the 2023 LONGINES Hong Kong Sprint before finishing second in the 2024 Centenary Sprint Cup in January. Fair fifth in the Premier Bowl two starts back and ran sixth in the BOCHK Private Banking Jockey Club Sprint latest. Has ability and can be a threat at this level. Best form seen on good ground.

Stepped up to 1600m in the Classic Mile, however, struggled and was subsequently returned to sprinting, winning in Class 2. Finished a surprise 2nd behind Ka Ying Rising in the Jockey Club Sprint latest. Versatile. Best seen on good ground.

## Barrier Draw Statistics

## Speed Chart

Winners of the Hong Kong Mile can come from just about anywhere in the field, including back and wide. Indeed, that general position has a surprising success rate. The pace should be good with the French horse LAZZAT and the Hong Kong horse BEAUTY ETERNAL both having an on pace profile. This will ensure that all horses will get their chance. If the pace is not strong in the middle stages there is an option of a mid-race move as some of the international horses will want a solid pace.

Likely pace: Good

## Spotlight

With three-time winner Golden Sixty now retired, the 2024 LONGINES Hong Kong Mile has an open look. Last year's runner-up Voyage Bubble looks the pick of the home-trained contingent following his success over Chancheng Glory and Galaxy Patch in the G2 Jockey Club Mile over the same course and distance in mid-November, but he must overcome an overseas challenge that contains four previous Group 1 winners.

Japanese-trained horses have won two of the last nine editions, and they look to have a strong hand with Soul Rush and Jantar Mantar, both Group 1 winners on their most recent outings. The Australian-trained Antino and European raiders Lazzat and Ramadan are other interesting contenders.

## Race History

The LONGINES Hong Kong Mile was inaugurated in 1991 to mark Hong Kong's staging of that year's Asian Racing Conference and so has the distinction of being the second of Hong Kong's international races. However, it was not known as the LONGINES Hong Kong Mile at that time; today's LONGINES Hong Kong Mile in fact started out as the Hong Kong Invitation Bowl, staged over 1400m. Ireland's Additional Risk won that first edition for trainer Dermot Weld and jockey Mick Kinane. In 1994, the year Soviet Line prevailed for UK trainer Sir Michael Stoute, the race attained international Group 3 status. The race was then upgraded to a Group 2 in 1995 when Monopolize claimed the first of his two victories for Australian handler Grahame Begg. The John Hills-trained Docksider won the race the first time it was held in its now familiar guise, the Hong Kong Mile, in 1999. It was upgraded to International Group 1 status when New Zealand super mare Sunline took the race in 2000.

Many mile luminaries such as the recently retired Golden Sixty, Beauty Generation, Maurice, Able Friend, Good Ba Ba, Ambitious Dragon, Eishin Preston and Sunline have established the LONGINES Hong Kong Mile as one of the world's elite mile contests over the past three decades. Golden Sixty won the G1 LONGINES Hong Kong Mile three times – in 2020, 2021 and 2023 – joining Good Ba Ba who prevailed in 2007, 2008 and 2009, as the race's only triple winners. Golden Sixty also made history as for the first time a homegrown jockey (Vincent Ho) and trainer (Francis Lui) combined at HKIR in what is now a lucrative HK\$36 million race. The race was ranked equal 18th in the World's Top 100 G1 Races in 2023.

Running Style:

Closed for 4th behind Golden Sixty in this race last year and has maintained a high level of form in 2024. Resumed with a sound win in the Yomiuri Milers Cup before a closing third to Romantic Warrior in the Yasuda Kinen. No match for winner's late thrust but again ran well when 2nd in the Fuji Stakes in October before capturing a breakthrough Group 1 success with a commanding 2.5L win in the Mile Championship. Capable of racing handy to midfield but generally settles back. Won on a soft track (slightly rain affected) early in 2022, while all other runs have been on good and firm ground.

Running Style:

Settled last and made an enormous finish to place 2nd behind Mr Brightside in the VRC Champions Mile in November. That followed a brilliant performance to win the Toorak Handicap by nearly 7L after lightning last-to-first move mid-race. Always shown elite potential and recent runs have certified his claim. Has not finished outside the first three in eight starts at 1600m, can be ridden forward or back, performs on wet or dry ground and is proven right-handed.

Running Style: 

Champion 4yo of 2023/24 after landing consecutive wins in two G3. Narrowly beaten in the BMW Hong Kong Derby and Queen's Silver Jubilee Cup last season. Showed further improvement this term, with an impressive first up win in the Sha Tin Trophy before racing wide to finish 3rd behind Voyage Bubble in the Jockey Club Mile latest. Appears set to continue his upward trend. Great turn of foot and no ground concerns.

Running Style:

Looks advantaged coming back to 1600m after three competitive but unplaced performances at middle distance at Group 1 level. Tardy start was no help when 6th in the VRC Champions Stakes last start. A very good 2nd to Charyn in the Queen Anne Stakes at Royal Ascot. Boasts 2 wins and 4 placings from 7 starts at 1600m. Settles back in his races, versatile in terms of ground and racing right-handed is no issue.

Running Style:

Improved sharply last term after stepping up to a mile, winning a total of six races. Career best performances included a gallant 2nd in the Classic Cup and a victory at Class 1 level over 1600m last term. Consistent and ran another gallant race when 2nd behind Voyage Bubble in the Jockey Club Mile latest after flashing home late. Usually sits handy and has led in the past but is versatile. Best seen on good surfaces.

Running Style:

A six-time winner over 1400m at Sha Tin. Took a giant step forward last season with victory in the Chinese Club Challenge Cup. Finished 6th in his most recent Group 1 attempt in the FWD Champions Mile last April. Encouraging first-up run this term when 2nd to The Golden Scenery in the Celebration Cup. Finished 7th in the Jockey Club Mile latest. Solid competitor. Best on good ground.

Running Style:

Lightly raced four-time winner of 6 starts. Unbeaten over 1600m. Not seen since May when tracked wide on the speed from gate 16 and was simply too good in the NHK Mile Cup. Third in Satsuki Sho when arguably let go for home too soon in a fast run race. All outings have been on good-firm ground and likely to race prominently. Clearly on an upward spiral and can make his presence felt.

Running Style:

Won his first six starts in France from 1300m to 1500m, culminating with a commanding victory in the Prix Maurice de Gheest in August. Then shipped to Australia for the lucrative Golden Eagle where he worked very hard on the speed, still looked the winner but was overhauled in last few strides by the William Haggas-trained Lake Forest. Races on-speed, performs racing both directions and is capable under all track conditions.

Running Style:

Sold for €1.5 million immediately after winning the Prix Daniel Wildenstein at Longchamp in October. Took the trail, in 4th, behind a good pace on that occasion and won well. Had previously been ridden more prominently. Very effective on soft and very soft ground. Beaten less than 2L in the Poule d'Essai des Poulains on soft ground. Five wins in France from 10 starts, also boasting two Group 3 scores.

## Barrier Draw Statistics

## Speed Chart

There is not much early pace in this race with the majority of the international horses likely to settle midfield or go back. The start of this race is crucial with the first bend coming up very quickly. The runners will want to draw low as to ensure they don't get trapped wide. A wide draw can be very tricky and with a good to slow tempo horses can have a tough run if they do not find their position early. ROMANTIC WARRIOR looks to be a dominant favourite in the race and he is one that can run on the speed. He should be followed all the way by his biggest rival LIBERTY ISLAND from Japan.

Likely pace: Good to Slow

## Spotlight

All eyes will be on Hong Kong superstar Romantic Warrior who will bid to become the first horse to win three editions of the LONGINES Hong Kong Cup, Hong Kong's richest race. The Danny Shum-trained gelding warmed up for his hat-trick bid by claiming a second success in the G2 Jockey Club Cup on his comeback run in mid-November, winning easily from domestic opposition.

Japanese-trained horses have a strong record in the Hong Kong Cup, winning five of the last nine renewals, and 2023 Japanese Derby winner Tasteria and Sheema Classic third Liberty Island are their representatives this time around. Runners from Europe haven't fared as well – Snow Fairy in 2010 was the last European-trained winner of the race – but a six-strong challenge will attempt to improve that record, led by Spirit Dancer, who looked better than ever on his most recent outing when landing back-to-back renewals of the G2 Bahrain International Trophy (Calif third), and the Aidan O'Brien-trained fillies Content and Wingspan.

## Race History

The LONGINES Hong Kong Cup, now the jurisdiction's richest race, is the cornerstone of the LONGINES Hong Kong International Races. The 2000-metre event is the original - the race that launched what is nowadays Hong Kong's biggest international sporting event and one of the world's most prestigious horseracing occasions.

The Cup has a storied history. Champions from across the globe have their names etched on the honour roll: Fantastic Light, Falbrav, Alexander Goldrun, Vengeance Of Rain, Pride, Ramonti, Vision D'Etat and Snow Fairy stand out.

Last year, Romantic Warrior represented Hong Kong to defend his crown and win the LONGINES Hong Kong Cup for the second time. Following the success of Hong Kong's favourite California Memory, who defeated world-class rivals to triumph in 2011 and 2012, Romantic Warrior became the second two-time winner of the race.

Japan has won eight editions of the LONGINES Hong Kong Cup. Loves Only You's victory in 2021 followed the gutsy performances of Normcore in 2020 and Win Bright in 2019, the imperious win of Maurice in 2016 who secured his third G1 victory at Sha Tin in the space of 12 months, as well as the stunning front-running victory of A Shin Hikari under Yutaka Take in 2015.

Back in January, 1988, the race's initial incarnation took place at Sha Tin Racecourse: an 1800m race open to raiders from Singapore and Malaysia and billed as the Hong Kong Invitation Cup. Flying Dancer prevailed for leading local trainer Brian Kan and jockey Bartie Leisher. A year later, Australian and New Zealand horses were added to the list of invitees, and 1989 saw two editions as the event shifted from a January date to its now firmly-established December slot in the international calendar. The only exception since then came when the 1992 races were postponed until April 1993 because of an equine virus, which forced the temporary suspension of racing in Hong Kong.

In 1993, the race attained international Group 3 status, was opened to all-comers and was renamed the Hong Kong International Cup. The following year, the Cup was upgraded to international Group 2 status. The big breakthrough came in 1999 when the Hong Kong International Cup was renamed the Hong Kong Cup and became the first Hong Kong race to be designated an international Group 1. The race distance was extended to 2000 metres and France's Jim And Tonic triumphed.

LONGINES entered a partnership with the Hong Kong Jockey Club ahead of the 2012 LONGINES Hong Kong International Races. The total prize money of the Cup was increased to HK\$40 million in 2024. It ranked equal 15th in the World's Top 100 G1 Races in 2023.

Two-time Bahrain International Trophy winner in 2023 and 2024. Backed up from his victory in that race last year with a creditable 4th in the Jebel Hatta in Dubai – his best performance at Group 1 level. He then won the Neom Turf Cup in Saudi Arabia. Generally ridden back although did race more prominently earlier in his career. At his best on good to firm ground but has also won on soft tracks.

Raced handy and fought on well when runner-up to Do Deuce in Tenno Sho Autumn in October. That was his first run since April after finishing 7th in the Tenno Sho Spring. Japanese Derby winner last year and well tried over further but this could well be his ideal distance range. Generally races handy to the pace. Placed only start on yielding ground and is still open to his fair share of improvement.

Running Style: Running Style:

Performed well in four runs for stable. A very comfortable win in the La Coupe at Longchamp in June before Bayerisches Zuchtrennen victory over Fantastic Moon in July. Then had 10 weeks break before fading late when 4th in the Prix Dollar in October. Final tune-up for this came with a solid 3rd to Spirit Dancer in the Bahrain International Trophy. Ridden back last time but can race prominently. Best on good ground but a little give in the track is unlikely to be a concern.

Running Style: Running Style:

First run for almost three months when runner-up to Iresine in the Prix Foy in September. Slightly one-paced on that occasion but kept coming after being briefly blocked for room early in the straight. Ran on well when third to Calif in La Coupe three starts back. Past two wins have come on the Polytrack over 2700m. Ground and tactically versatile.

Running Style:

Consistent. Landed a career-high with victory in the 2024 Centenary Vase in February. Third in the Citi Hong Kong Gold Cup and 4th in the Chairman's Trophy since then. Fine 5th two starts back in the Sa Sa Ladies' Purse and then finished a creditable 3rd behind Romantic Warrior in the Jockey Club Cup last start. Races handy but also has a great turn of foot in the final stages. No ground issues.

Running Style:

Responded very well to change of tactics when led throughout to beat Dubai Honour by 3L in the Churchill Stakes on Tapeta last start. While the runner-up was arguably unlucky, The Foxes held a clear margin on the line and that was just his second run after a lengthy break. Might be recapturing his strong 3yo form which included Dante Stakes win, Derby Stakes 5th and 2nd in the Belmont Derby Invitational. Unplaced only start on soft ground. Had been a hold-up horse but that all changed last start at Newcastle.

In fine form early last term, achieving his career best when landing his first Group race in the 2023 Sa Sa Ladies' Purse. Unplaced in three starts this term but was a solid fifth behind Romantic Warrior in the BOCHK Jockey Club Cup. Hold up runner and tends to be best on good ground.

Running Style:

Emerged with a slashing debut win by a wide margin over 2000m before scoring a remarkable victory in the BMW Hong Kong Derby. Finished 8th in the FWD QEII Cup on yielding ground which did not suit him. Fair run when 6th in the Champions & Chater Cup last season. One paced when 6th in the Ladies' Purse first-up. Looks to have plenty of stamina. Hold up runner with a lethal turn of foot on his day.

Running Style:

Resumed from a seven month break to be caught wide on speed all the way before fading over the last 200m when 13th in the Tenno Sho Autumn in October. That was her first run since March after she was 3rd in the Dubai Sheema Classic. Commanding winner of 2023's Oka Sho, Japanese Oaks, and also winning the Shuka Sho to be crowned Japanese Triple Tiara winner – only the 7th in history – and beating all bar superstar Equinox in the 2023 Japan Cup. Best when ridden from midfield. Unknown on soft ground.

預計跑法:

Quality filly who was runner-up to You Got To Me in Irish Oaks before reversing placings with that rival in the Yorkshire Oaks earlier in the season. Then struck soft tracks at next two Group 1 assignments in France and England before doing best work late when 6th in the Breeders' Cup Filly and Mare Turf. Can be keen and usually waited with. Did win on a soft track early in career but preferred on good ground.

Running Style:

Lightly raced and promising three-year-old filly from the Aidan O'Brien stable. Raced handy, momentarily short of room early in the straight but stayed on well when 5th to Rebel's Romance in the Breeders' Cup Turf at Del Mar. That followed a front-running 2nd to Kalpana in British Champions Fillies and Mares Stakes at Ascot. Likely to race on the pace and has won on good through to heavy grounds.
